**CUB CADET® LAWN TRACTORS**

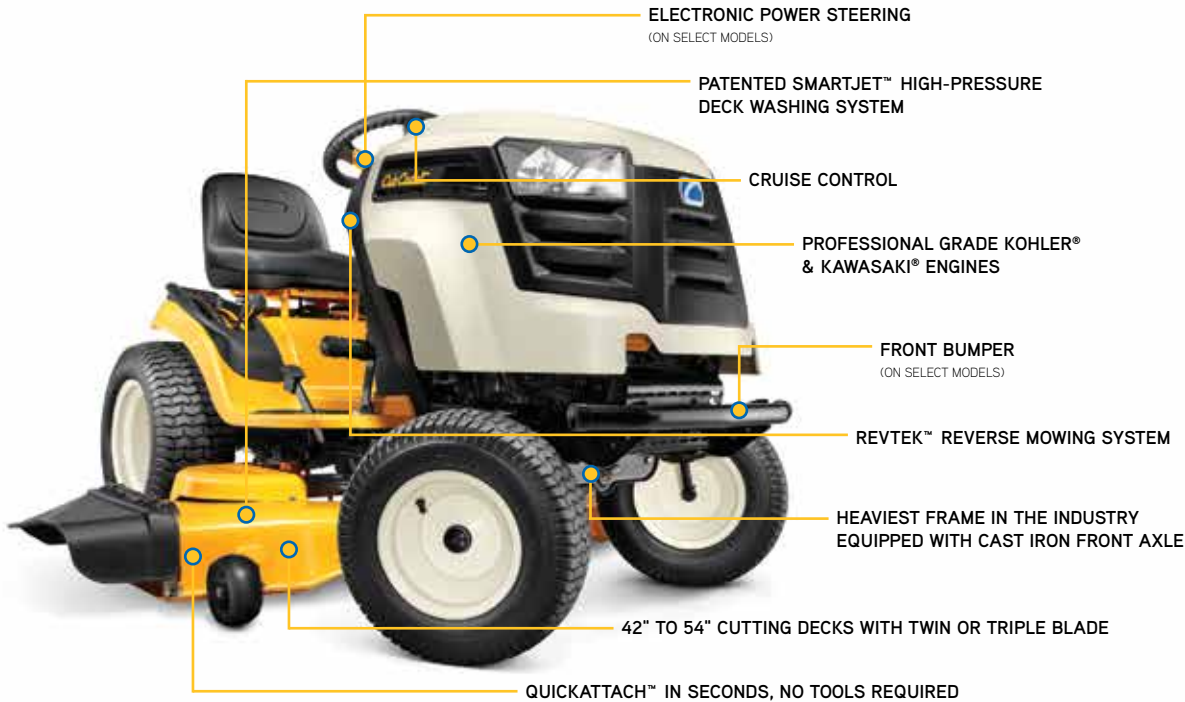

Cub Cadet lawn tractors are the most advanced lawn tractor in its class. Starting with the Cub Cadet® Signature Cut™ for a flawless, professional-quality cut every time. With an ultra-tight turning radius and available Electronic Power Steering, you'll have more precision control than ever. Only Cub Cadet® could make it so easy to maneuver around landscaping and enjoy all-day comfort.

**NEW****CC30 RIDING MOWER**

The CC30 features a 30" cutting deck, 6-speed transmission, and a mid back seat that makes it easier than ever to get on and off your riding lawn mower. With an 18" turning radius, the CC30 couples the benefits of a standard riding mower with the size of a wide cut walk-behind, to get the job done faster.

Visit your local dealer for the widest selection of genuine Cub Cadet® products.

## CUTTING DECK

The lawn tractor cutting decks offer 42" to 54" cutting widths with twin or triple blades overlapping to ensure that no grass is left uncut.

## TURNING RADIUS

Cub Cadet® tractors have a tight 12" turning radius, reducing the need to backup.

## MEET THE GARDEN TRACTOR THAT RAISES THE BAR ABOVE ALL OTHERS.

Cub Cadet® builds garden tractors for those who demand more from their equipment. Starting with the Cub Cadet® Signature Cut™ for a flawless, professional-quality cut every time. You get more power from professional-grade engines. Easy turning with available Electronic Power Steering. And unsurpassed tractor quality with a fully welded steel frame, cast iron transmission, and the legendary Cub Cadet® direct shaft drive. It may be smart for some to follow a leader, but it's even smarter to own one.

### SHAFT DRIVE

More efficient power transfer from the engine to transmission. No belts to slip or break.

### HEAVY-DUTY TRANSMISSION

Cast iron transmission equipped with oil filter provides greater durability and superior performance.

Cub Cadet® handheld equipment is powered by a powerful 20V lithium-ion battery so there is no need to compromise on power and efficiency.

### THE POWER TO SHAPE YOUR YARD IS IN YOUR HANDS.

Cub Cadet® offers a full line of innovative handheld power equipment. You'll have the power and precision Cub Cadet® is known for in the palm of your hands.

**TRIMMERPLUS®**  
Make the most of your split boom trimmer. Cub Cadet® string trimmers are compatible with 5 different TrimmerPlus® attachments.

### EFFICIENCY AT ITS FINEST

Because the 4-cycle engine (on select models) doesn't require mixing of oil and gas, you have less prep time and more fuel efficiency. And with lower emissions, it's better for the environment.
